Honorable Board of Commissioners
Housing Authority of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**AWARD ONE-YEAR CONTRACTS TO PROVIDE COUNTYWIDE RELOCATION
SERVICES (ALL DISTRICTS)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the provision of relocation services under one-year Contracts for Consulting Services (Contracts) is not subject to the California Environmental Quality Act (CEQA), because the proposed activity will not have the potential for causing a significant effect on the environment.
2. Approve and authorize the Executive Director to execute one-year Contracts with Overland, Pacific & Cutler, Inc., Paragon Partners, Ltd., Henry Nunez Real Estate Services, Inc., Shober Consulting, Inc., and Epic Land Solutions, Inc., using substantially the form of the attached contract, the aggregate amount of which will not exceed \$2,000,000 per year, to provide relocation consulting services on a project-by-project basis for various housing projects throughout the County of Los Angeles, to be effective upon approval by County Counsel and execution by all the parties.

3. Authorize the Executive Director to use funds contained in the Housing Authority's fiscal year 2006-2007 approved budget, for the purposes described herein.
4. Authorize the Executive Director to execute amendments to the one-year Contracts, following approval as to form by County Counsel, to extend the time of performance for a maximum of two years, in one-year increments, at \$500,000 for the second year, and \$500,000 for the third year, using funds to be approved through the Housing Authority's annual budget process.

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of the recommended action is to enter into the Contracts to retain the services of five firms to provide relocation consulting services on a project-by-project basis for various housing projects throughout the County of Los Angeles.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The maximum amount for all three years of the Contracts, if fully extended, will be \$3,000,000.

For the first year of services under the Contracts, the Housing Authority will use a maximum of \$2,000,000 comprised of HUD funds included in the Housing Authority's approved fiscal year 2006-2007 budget.

After the first year, the Housing Authority may extend the Contracts for an additional two years, in one-year increments, at \$500,000 for the second year and \$500,000 for the third year, contingent upon the availability of funds. Funds for years two and three of the Contracts, if extended, will be requested through the Housing Authority's annual budget approval process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Uniform Relocation and Real Properties Acquisitions Act of 1970, as amended, mandates that all federal and federally-funded agencies provide relocation advisory services and provide monetary and/or other relocation benefits to individuals and businesses that are displaced as the result of housing, economic development, redevelopment, and environmental projects. The State of California adopted legislation in 1972 with the similar requirements. Relocation services are also required when displacement occurs as a result of environmental rehabilitation activities such as noise reduction, asbestos and lead-based paint abatement, as well as seismic retrofitting of structures.

The proposed Contracts define the basic services to be performed by the five firms over the initial one-year term, including: meeting with displaced persons and businesses; determining eligibility for relocation assistance; preparing relocation assistance notices and claim forms; conducting replacement dwelling inspections; and completing other related functions. The one-year Contracts may be amended to incorporate specific sites, and detailed scopes of work for each project. The Contracts may also be amended to extend the time of performance for a maximum of two years, in one-year increments, and to include additional projects and compensation.

The firms will be assigned relocation projects and will receive compensation based on the scope of services performed on a project-by-project basis. The addition of projects to each Contract will be determined based on relocation needs, qualifications of the consultant in the various aspects of the relocation process, and the complexity of the assignment. The cost of services will not exceed the negotiated dollar amount for individual relocation assignments or work programs.

Should the firms require additional or replacement personnel after the effective date of the contracts, the firms will give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program who meet the minimum qualifications for the open positions. The firms will contact the County's GAIN Division for a list of participants by job category.

The Contracts will be effective following approval by County Counsel and execution by all parties. The Housing Commission approved this Board letter on January 24, 2007.

ENVIRONMENTAL DOCUMENTATION:

The proposed execution of one-year Contracts is exempt from the National Environmental Policy Act (NEPA) pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(3), because it involves activities that will not have a physical impact or result in any physical changes to the environment. The activities are also not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378, because they are not defined as a project under CEQA and do not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS:

On October 10, 2006, a Request For Proposal (RFP) process was initiated to identify firms to provide relocation consulting services. An RFP announcement was mailed to 63 relocation consulting firms, which were identified from the Community Development Commission's vendor list. Announcements appeared in the Los Angeles Times and on the County's Office of Small Business website. A copy of the RFP also was posted on

the Commission's website.

Five firms submitted proposals. The proposals were evaluated, and based on the RFP requirements and the rating process, Overland, Pacific & Cutler, Inc., Paragon Partners, Ltd., Henry Nunez Real Estate Services, Inc., Shober Consulting, Inc., and Epic Land Solutions, Inc., were selected for inclusion on a list of firms to be utilized on a project-by-project basis.

The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT PROGRAMS:

The proposed Contracts will provide Countywide relocation services for various housing projects on a project-by-project basis.

Respectfully submitted,

CARLOS JACKSON
Executive Director

The Contractor will take such actions with respect to any subcontract or purchase order as the Housing Authority may direct as a means of enforcing such provisions including sanctions for noncompliance, provided however, that in the event the Contractor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by the Housing Authority, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

30. USE OF RECYCLED-CONTENT PAPER PRODUCTS

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on the Project.

31. CONTRACTOR RESPONSIBILITY AND DEBARMENT

- A. A responsible contractor is a contractor, consultant, vendor or operating agency who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the Housing Authority, Commission, and County to conduct business only with responsible contractors.
- B. The Contractor is hereby notified that if the Housing Authority acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the Housing Authority may, in addition to other remedies provided in the contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on Housing Authority contracts for a specified period of time, which generally will not to exceed five years but may exceed five years or be permanent if warranted by circumstances, and terminate any or all existing contracts the Contractor may have with the Housing Authority.
- C. The Housing Authority may debar a contractor, consultant, vendor or operating agency if the Board of Commissioners finds, in its discretion, that the contractor

has done any of the following: (1) violated any term of a contract with the Housing Authority, Commission, or County or a nonprofit corporation created by the Housing Authority, Commission, or County, (2) committed an act or omission which negatively reflects on the its quality, fitness or capacity to perform a contract with the Housing Authority, Commission, or County, any other public entity, a nonprofit corporation created by the Housing Authority, Commission, or County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the Housing Authority, Commission, County, or any other public entity.

- D. If there is evidence that the Contractor may be subject to debarment, the Housing Authority will notify the Contractor in writing of the evidence, which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Housing Authority shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.
- F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contract Hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.
- G. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The Housing Authority may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the Housing Authority.
- H. The Contractor Hearing Board will consider a request for review of the debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least

five years; and (3) the request is in writing, states one or more of the ground for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- I. These terms shall also apply to subcontractors and subconsultants of County, Housing Authority, or Commission contractors, consultants, vendors and agencies.

32. COMPLIANCE WITH JURY SERVICE PROGRAM

- A. Unless the Contractor has demonstrated to the Housing Authority satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program or that Contractor qualifies for an exception to the Jury Service Program, Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- B. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the

provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the Contract.

- C. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
- D. The Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

33. COMPLIANCE WITH THE LIVING WAGE PROGRAM (LWP)

33.1 Living Wage Program.

This Contract is subject to the provisions of the Housing Authority's policy entitled Living Wage Program, and incorporated by reference into and made a part of this Contract.

33.2 Payment of Living Wage Rates.

33.2.1 Unless the Contractor has demonstrated to the Housing Authority's satisfaction either that the Contractor is not an "Employer" as defined under the Program or that the Contractor qualifies for an exception to the Living Wage Program, the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the Housing Authority under the Contract:

33.2.1.1 Not less than \$9.46 per hour if, in addition to the per-hour wage, the Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or

33.2.1.2 Not less than \$8.32 per hour if, in addition to the per-hour wage, the Contractor contributes at least \$1.14 per hour towards the provision of bona fide health care benefits for

its Employees and any dependents. The Contractor will be deemed to have contributed \$1.14 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.

33.2.2 For purposes of this Sub-paragraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the Housing Authority under the Contract. If the Contractor uses any subcontractor to perform services for the Housing Authority under the Contract, the subcontractor shall be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract Contract and a copy of the Living Wage Program shall be attached to the Contract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the Housing Authority under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the Housing Authority; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

33.2.3 If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.

33.2.4 If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the Housing Authority if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The Housing Authority may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the Housing Authority's satisfaction that the Contractor either continues to

remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the Housing Authority, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

33.2.5 For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County Facilities that are subject to two different contracts between the Contractor and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

33.3 Contractor's Submittal of Certified Monitoring Reports.

The Contractor shall submit to the Housing Authority certified monitoring reports at a frequency instructed by the Housing Authority. The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the Housing Authority, or other form approved by the Housing Authority which contains the above information. The Housing Authority reserves the right to request any additional information it may deem necessary. If the Housing Authority requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

33.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the Housing Authority of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the Housing Authority, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

33.5 Housing Authority Auditing of Contractor Records.

Upon a minimum of twenty-four (24) hours' written notice, the Housing Authority may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four years from the date of final payment under the Contract. Authorized agents of the Housing Authority shall have access to all such records during normal business hours for the entire period that records are to be maintained.

33.6 Notifications to Employees.

The Contractor shall place Housing Authority-provided living wage posters at each of the Contractor's places of business and locations where Contractor's Employees are working. The Contractor shall also distribute Housing Authority-provided notices to each of its Employees at least once per year. The Contractor shall translate into Spanish and any other language spoken by a significant number of Employees the posters and handouts.

33.7 Enforcement and Remedies.

If the Contractor fails to comply with the requirements of this Sub-paragraph, the Housing Authority shall have the rights and remedies described in this Sub-paragraph in addition to any rights and remedies provided by law or equity.

33.7.1 Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the Housing Authority after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall

constitute a breach of the Contract. In the event of any such breach, the Housing Authority may, in its sole discretion, exercise any or all of the following rights/remedies:

33.7.1.1 Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the Housing Authority may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the Housing Authority, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

33.7.1.2 Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the Housing Authority. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the Housing Authority may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the Housing Authority has been provided with a properly prepared, complete and certified monitoring report. The Housing Authority may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

33.7.1.3 Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the Housing Authority may, in its sole discretion, terminate the Contract.

33.7.2 Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any Employee at least the applicable

hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the Housing Authority may, in its sole discretion, exercise any or all of the following rights/remedies:

33.7.2.1 Withholding Payment. If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the Housing Authority may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The Housing Authority may withhold said amount until the Contractor has satisfied the Housing Authority that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

33.7.2.2 Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the Housing Authority. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the Housing Authority may, in its sole discretion, assess against the Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The Housing Authority may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

33.7.2.3 Termination. The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the Housing Authority may, in its sole discretion, terminate the Contract.

33.7.3 Debarment. In the event the Contractor breaches a requirement of this Sub-paragraph, the Housing Authority may, in its sole

discretion, bar the Contractor from the award of future Housing Authority contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

33.8 Use of Full-Time Employees.

The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the Housing Authority that it is necessary to use non-full-time Employees based on staffing efficiency or Housing Authority requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the Housing Authority has provided written authorization for the use of same. The Contractor submitted with its bid a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the Housing Authority.

33.9 Contractor Retaliation Prohibited.

The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the Housing Authority or to any other public or private agency, entity or person. A violation of the provisions of this Sub-paragraph may constitute a material breach of the Contract. In the event of such material breach, the Housing Authority may, in its sole discretion, terminate the Contract.

33.10 Contractor Standards.

During the term of this Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the Housing Authority, the Contractor shall demonstrate to the satisfaction of the Housing Authority that the Contractor is complying with this requirement.

33.11 Neutrality in Labor Relations

The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

34. ACCESS AND RETENTION OF RECORDS

The Contractor shall provide access to the Housing Authority, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purpose of making audits, examinations, excerpts and transcriptions.

The Contractor is required to retain the aforementioned records for a period of five years after the Housing Authority pays final payment and other pending matters are closed under this Contract.

35. CONFLICT OF INTEREST

The Contractor represents, warrants and agrees that to the best of its knowledge, it does not presently have, nor will it acquire during the term of this Contract, any interest direct or indirect, by contract, employment or otherwise, or as a partner, joint venture or shareholder (other than as a shareholder holding a one (1%) percent or less interest in publicly traded companies) or affiliate with any business or business entity that has entered into any contract, subcontract or arrangement with the Housing Authority. Upon execution of this Contract and during its term, as appropriate, the Contractor shall, disclose in writing to the Housing Authority any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Housing Authority's interest and the interests of the third parties.

36. SEVERABILITY

In the event that any provision herein is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

37. INTERPRETATION

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if drafted by both parties hereto.

38. WAIVER

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

39. PATENT RIGHTS

The Housing Authority will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Contract.

40. COPYRIGHT

No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. All such documents become the property of the Housing Authority and the Housing Authority holds all the rights to said data.

41. NOTICES

The Housing Authority shall provide the Contractor with notice of any injury or damage arising from or connected with services rendered pursuant to this Contract to the extent that Housing Authority has actual knowledge of such injury or damage. Housing Authority shall provide such notice within ten (10) days of receiving actual knowledge of such injury or damage.

Notices provided for in this Contract shall be in writing and shall be addressed to the person intended to receive the same, at the following address:

The Housing Authority: *(Division's contact person)*
The Contractor: *(Contractor contact person)*

Notices addressed as above provided shall be deemed delivered three (3) business days after mailed by U.S. Mail or when delivered in person with written acknowledgement of the receipt thereof. The Contractor and the Housing Authority may designate a different address or addresses for notices to be sent by giving written notice of such change of address to all other parties entitled to receive notice.

42. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in *Attachment D* –

Required Contract Notices of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

43. CONTRACTOR'S ACKNOWLEDGMENT OF HOUSING AUTHORITY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Contractor acknowledges that the Housing Authority places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the Housing Authority's policy to encourage all Housing Authority Contractors to voluntarily post the Housing Authority's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The Department of Children and Family Services of the County of Los Angeles will supply the Contractor with the poster to be used.

44. CONTRACTOR'S CHARITABLE CONTRIBUTIONS COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification as included in *Attachment C – Required Contract Forms*, the Housing Authority seeks to ensure that all Housing Authority contractors that receive or raise charitable contributions comply with California law in order to protect the Housing Authority and its taxpayers. A Contractor that receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings, or both.
